Exchanges:

RST + QSO number, starting with 001 + IOTA Reference number, if applicable.

QSO Points:

Three (3) points per non-island QSO heard, fifteen (15) points per island QSO heard. Same station can be heard once on each band and mode.

Multipliers:

Each IOTA reference on each band and on each mode.

Scoring:

Sum of QSO points x sum of multipliers = TOTAL SCORE.

Rule of Correspondents:

The callsign of correspondent may not appear more than three consecutive times. There must be at least one other QSO before a series of one to three callsigns is repeated.

Plaque/Awards/IOTA credits:

The GEOFF WATTS SWL Plaque to the leader in the 12 hours mixed category. Certificates to the top three stations in each category.

Contest participants may claim "no-QSL" credits (max 50) for IOTA awards. Contact the IOTA SWL Contest Manager iw1qla@tin.it to apply for.
